

2 hvide vægge til projektør/
Projektør i loftet som kan drejes

Klubrum set foroven
- endevæggene koksgrå
og hjørnet ved
sofaarrangement
- resten hvid

The diagram shows a rectangular room layout. A red dashed horizontal line is drawn across the room, approximately one-third of the way from the top. On the right side, there are two door-like symbols: one is a vertical line with a diagonal slash pointing downwards, and the other is a vertical line with a diagonal slash pointing upwards. The room is surrounded by a dark grey border representing walls or a floor plan boundary.
